

STUDENT DESIGN CONTEST!

The 9th Annual Tri-County Hill Hopper bike ride will take place February 19, 2012. Once again we need a student-created design for our t-shirt. Please encourage your child/student to create a drawing for the t-shirt design. The drawing should have something to do with bicycling and be an original creation– those are the creative guidelines!

All students from 0 -21 are encouraged to enter the design contest. The design contest will end on January 31, 2011. All designs must be submitted by January 31, 2011 to be considered for the t-shirt. All submissions become property of the Family Support Network as we need the copyright to use the design on our marketing literature. Please *paperclip* this completed form to the artwork.

To see the previous years' winners please go to www.hillhopper.org.
